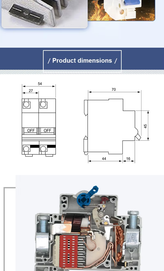
DC CIRCUIT BREAKER

INSULATION SHELL SAFE TO UPGRADE

125A

Product details



/ Product dimensions /

Arc-extinguishing room, swift arc breaking

FINE RESIN

SMOOTH SURFACE INSULATION FLAME RETARDANT PERFORMANCE IS SUPERIOR

SOLAR POWER

DIRECT CURRENT FUSE

HANDLE PROTECTION

Transparent protective cover can increase the service life of the handle

STANDARD RAIL INSTALLATION

Standard 35mm rail mounting

PRODUCT PARAMETER

Product name: DC CIRCUIT BREAKER

Rated voltage: 600V DC

Electric current: 100A/125A

Model number: NBT2-125DC

loop: 2P

Electrical life: >8000 times

Waterproof class: IP20

MORE DETAILS

DETAILS HIGHLIGHT THE QUALITY OF CRAFTSMANSHIP SEMKO PRODUCTION

01

INSULATING SHELL

Excellent flame-retardant housing Smooth surface, strong insulation and flame-retardant performance

02

DURABLE HANDLE

The handle can be opened and closed 8000 times

03

GUIDE MOUNTING

Easy to install, the use of high efficiency
